Rev. H. Wesley Roloff, for the past nine years the pastor of the Central Evangelical United Brethren Church, will deliver his farewell address to the congregation this Sunday. It was revealed this week.

Rev. Roloff has been appointed to serve as pastor of the San Bernardino Evangelical United Brethren Church—a new church and parsonage with great promise. He received the appointment at the Annual Church Conference which convened in Porterville last week.

Succeeding the well known pastor will be Rev. U. S. Schauer, former pastor of the Ontario Church. Rev. Schauer will occupy the pulpit at the local church for the first time on June 19.

Rev. Roloff will move his wife and two children to San Bernardino in the near future. The Roloffs' two children, Joyce Elaine, age five, and Glenn Wesley, age four, were both born in Torrance.

Scientist's Topic Told

"The eternal God is thy refuge, and underneath are the everlasting arms." This declaration from Deuteronomy will be the Golden Text of the Sunday Lesson-Sermon on "God the Preserver of Man" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

A Bible citation from The Acts relates that "When the disciples came together to break bread, Paul preached unto them, . . . And there sat in a window a certain young man named Eutychus, being fallen into a deep sleep; and as Paul was long preaching, he sunk down with sleep, and fell down from the third loft, and was taken up dead. And Paul went down, and fell upon him, and embracing him said, Trouble not yourselves; for his life is in him. And they brought the young man alive, and were not a little comforted."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Accidents are unknown to God, or immortal Mind, and we must leave the mortal basis of belief and unite with the one Mind, in order to change the notion of chance to the proper sense of God's unerring direction and thus bring out harmony. Under divine Providence there can be no accidents, since there is no room for imperfection in perfection."
